

Appointment Policy for MedWave

Missing an appointment can make the entire process unsuccessful

Due to the limited amount of space and time slots we have for everyone using the MedWave, it is crucial that everyone is on time for every appointment. We recommend being at your appointment at least 5 minutes early to prepare for your treatment (i.e., changing clothes, using the restroom, taking measurements, etc.).

If you are more than 5 minutes late to your appointment, we may be forced to cut your time short. If you are more than 10 minutes late to your appointment, that treatment will be forfeited and a \$50 missed appointment fee will be applied to your account. If you know you are going to be late, please give us a call so that we are aware and can make any schedule changes if needed.

We are scheduling everyone 30 minutes apart in order to accommodate for everyone's busy schedules, so being late can throw everyone else off for that day. We understand that things come up that are unpreventable and we are always willing to work with you on that.

By signing below, you agree to the terms stated above in the Appointment Policy for MedWave.
